

Betco® BIG BUCKET GE Fight Bac™ Wipes

EPA List N* Disinfectant

Reduce the Risk of Illness

COVID-19 is caused by SARS-CoV-2, GE Fight Bac™ Wipes kills similar viruses and therefore can be used against SARS-CoV-2 when used in accordance with the directions for use against Feline Calicivirus on hard, non-porous surfaces. Refer to the CDC website at www.cdc.gov for additional information.

**All products on this list meet EPA's criteria for use against SARS-CoV-2, the virus that causes COVID-19.*

Betco® BIG BUCKET GE Fight Bac™ Wipes

Broad Spectrum Hospital Disinfectant

Disinfectant with the environment in mind.

GE Fight Bac™ Wipes kill over 99.9% of bacteria and viruses in 5-minute contact time. Formulated with a botanical active ingredient, citric acid, and free from harsh chemicals, this product provides superior disinfection without the need for safety signal words like "Danger" or "Warning," easing the minds of users.

THE BENEFITS OF A CITRIC ACID ACTIVE INGREDIENT:

PERFORMANCE: Cleans without streaks or residue while achieving hospital-grade efficacy with low contact times.

ENVIRONMENTALLY FRIENDLY: Effective, plant-powered formula is certified by Green Earth standards.

SAFETY: Citric Acid-based solution is non-irritating and no harsh fumes for the user. Also gentle on equipment making it an excellent choice as a cleaner.

VERSATILITY: GE Fight Bac Wipes will leave little to no residue compared to traditional quat disinfectants on Plexiglass®.

WHERE TO USE:

- Classrooms, including desks and computer surfaces
- Acrylic (Plexiglass®) dividers
- Restroom disinfection
- High-touch surfaces, including smart phones
- Most other hard non-porous surfaces

AVAILABLE IN:

392F5 1 x 1500 Wipes Big Bucket, 11 x 7 sheet size

Industry-best product performance - Green Earth® products must meet or exceed traditional products. This performance is verified by third-party lab testing or testing designed and performed in Betco® laboratories.
